REPORT TO THE HONORABLE
MAYOR AND CITY COUNCIL
BALBOA PARK NATIVITY EXHIBITS

Representatives of the Community Christmas Center Committee, City Manager and City Attorney met this morning to review the community Christmas exhibit in Balboa Park. As a result of this meeting, an agreement has been reached that will enable the Committee to continue its Christmas display which includes the nativity scene. This agreement provides:

1. The Committee accepts financial responsibility for the entire display including storage, maintenance and placement of the figures.
2. The Committee desires to expand the scope of the Christmas display to include a variety of symbols.

This resolution will preserve this historical display and meets all legal requirements.

Respectfully submitted,
JOHN W. WITT
City Attorney
